A great Solider & Aunt has pass... She was ready to step out of this old world....She stated to me the god lord has allowed her to live a long life...I told her when she was 98, that she wld reach 100.she said, I don't know,she was ready to go...She never complain, thru her pain and sickness.she metion she hurts all the time...but God was good considering her age....I will miss you..Auntie my heart is very sad...you took care of my dad at the age of 8yrs old...he was newborn, ur mom had died...but u had to quit school...you did have a easy life,but you still gave god the glory. ..I remember when u came to Mississippi u slept in my bed...had fun with u..me and dad wld ride u around to see the others..I remember the watch u gave me...I loves you very much.....I also has a disease, I am battling. ..but u taught me don't complain, give God the glory...love always (Ann brooks).... A great warrior, true soldier. ...
