“ *Melvin was such a beautiful soul. I was blessed to work with Melvin for the last 6 years. He was also so kind and thoughtful. I would love calling the house and hearing Annie in the background. I also imagined them sitting at the kitchen table drinking coffee sharing stories like my grandparents used to do. It was always wonderful hearing his voice. It was kind and calm and so warm it would put you at ease immediately. I will remember him fondly.*

*Annie, we love you and pray for your healing and comfort in this time of grief. Please allow knowing Melvin is watching over us from his Heavenly home brings some peace.*

“ *I had the privilege of working with Melvin at The Key People Company/ Verity Partners Group for many, many years. He had been here even longer than I. I don't even remember the company with out Melvin! He was such a fun, jovial person; always a pleasure to be around and visit with. I remember back in the "old days" when we would stop in to pick up his check after driving the casino shuttle bus. I also always looked forward to seeing him at the annual open house each Christmas. He will be missed, and fondly remembered.*

*Sending warm thoughts and love to Annie, and the rest of Melvin's Family*
