“ Prayers for my Sumner 1968 classmate and family. My yearbook has him signing it with "Mule". I believe I saw Mule and his wife a year or so ago at a St. Alphonsus Rock Church activity in the gym. Our classmates meet no strangers so Mrs. Hampton and family, we pause in sadness but rejoice in the fond memories of your departed loved one. I have another responsibility Thursday but plan to shift things around to be at Archway for the service and/or visitation. God bless you.

*P.S. The yearbook also states that his career goal was to be a Pro Football Player. I'm sure his profession gave him many opportunities to practice many aspects of his 18 year old goal.*
