“ *Mike loved his wife, kids, grandkids and his mom very much. He was always showing me photos at work and was so proud of his family. He was a very hard worker and took pride in his job. The residents at The Syndicate all loved him. He helped them in any way he could every day. He was my right hand man and I'm going to miss him so much. He was wonderful to work with and is irreplaceable. My heart goes out to his family at this time. This was very heartbreaking news and he will live in our hearts forever.
