

## Michelle Illese Shoults

April 4, 1966 - March 24, 2021

Michelle Illese Marie Shoults, Age 54 of Hazelwood, Missouri. Dear daughter of the late Elmer and Dorothy, sister of Bob (Trudy), Ted (Christine), Tom (Karen) Jeannie and Joane (Chris). Dear aunt, cousin, relative and friend to many.

Michelle was born in St. Louis, Missouri on April 4, 1966. She was educated in the Hazelwood School District. She was very competitive and excelled at every sport she tried, even gaining semi-pro status in softball. She was self-employed delivering auto parts as well as owning and running her own bar until she became overwhelmed with several health issues.

Michelle never met a stranger. She was a true one of a kind that the mold was broken when she arrived in this world. She never held back her opinion and you knew exactly where she stood. She was very comical and upbeat. She would fill a room up with her energy when she entered into it.

Michelle also was a very caring friend. She always was trying to look out for those she held close to her and was always giving words of encouragement when needed. She also knew where to get the deals or the most out of anything she did.

She was the true epitome of a St. Louis Cardinals Baseball Fan!

We all will miss her unmistakable voice and presence. Into God's hands Rest into Eternal peace Michelle.

“ Michelle and I went to high school together. She was always the loudest, the funniest, and the most loving! As we all should, she was always quick to tell you how much she loved you, cared for you, and had a complimentary, supportive word. She will ALWAYS have a large, special place in my heart!!!! <3

“Michele and I went to high school together. She was always the life of the party. Every that knew her Loved her. Later in our adult lives we remained good friends. We played frisbee golf together in the snow and ice at Creve Coeur park, went to car shows together and just really enjoyed some very good quality good times. She will be greatly missed but never forgotten. Rest in peace Michelle and prayers to the family.

A week before her last day with us Tim and her crashed Gayla's house. It was so funny and we laughed like it was part of the plan. We talked about how cool we were to be born in '66 and her birthday and mine were same numbered 4/4 & 10/10. We laughed and laughed because that's what you do when you are with her. Another time me and Karen wanted to have a party for our birthday. We made Michelle promise not to say anything about it so it wouldn't get outta control. Then we changed our mind and within 30 minutes we were having a blast. Shoults knee how to have fun and everyone smiles when she shows up! Love you babe. Fly high and stay close in spirit forever . Condolences to the family and friends who are saddened.
