“ I have been a friend of Gonz since 1986. We worked together, we're on the Honor Guard together, and we were person friends with him, Linda and the boys. We celebrated special events, holidays and weekends with several of our work families. Mike brightened every room he entered. He was caring and considerate. He was a hard worker but always made time for laughs and fun. He always made people smile. He cared so much about his family. Although I haven't seen him for some years, I will cherish my memories of him and our friendship. Rest in Heavenly Peace Mike.
