“ Several members of Genesis Choir of Centennial UMC, KCMO, would like to extend our deepest condolences to the Milton Holmes family. Many years ago Milton sang in our choir and participated in our programs, with his Blessed tremendous BASS voice. He sang, "Go Down Moses", and was the voice of God, when the poem, "The Creation" was performed, at one of our programs. Time and distance separated us, but, we will always remember the fun times, the choir and hm shared. May God's arms surround you and provide strength, support, understanding and peace.

Milton and I were elementary school classmates in St. Louis. Know that his spirit remains with us forever. His brilliance and refusal to conform to the status quo was an inspiration to me.
