

Nathaniel Jason Adams Harvey II

August 15, 1954 - October 17, 2012

Nathaniel J.A. Harvey II, Age 58 of University City, MO.

Nathaniel (Nate) was born on August 15, 1954, in Memphis, Tennessee, to Daniel and Ora Mae Harvey. At an early age Nate moved with his family to St. Louis, Missouri, where he was educated in the St. Louis Public School system. After graduating from Soldan High School, Nathaniel attended the University of Northern Colorado on a football scholarship. Not only was Nate an athlete, but he enjoyed music and playing his trumpet. Nate was an active member of Omega Psi Phi and maintained many of those friendships throughout his life.

Nate committed his life to God at an early age. He was an active member of New City Fellowship for over 20 years, where he blessed everyone with his God-given musical talent. Nate's greatest gifts, however, were not the ones he shared in the spotlight, but the ones he quietly and warmly gave in private. With helping hands, encouraging words and timely humor, Nate touched our lives in many positive ways. When he walked into a room, Nate lit it up with his smile and friendly personality.

While attending the University of Northern Colorado, Nate met and married Gerri Bradshaw. They had two wonderful children, Nathaniel J. A. Harvey III and Kim E. Harvey. Nate later moved back to St. Louis and met and married Jo Hamilton, who remained at his

side until God called him home. Nate and Jo had two children, Alexis J. Harvey and Jordan C. R. Harvey. All of his family have beautiful memories of Nate. He also leaves to cherish his memories two grandchildren, Don'Teice and Lyniece; two brothers, Daniel Jr. (Pamela) and Robert (Regina); three sisters, Zelma, Beatrice of Memphis, Tennessee, and Sonja; two aunts, Louise of Memphis, Tennessee, and Mary of Nashville, Tennessee; and his nieces, nephews, cousins and friends.

Nate was Senior Information Systems Manager at AT&T for the last 12 years. He loved his job and was grateful to be able to pray each morning with his coworkers, who became close friends.

Nathaniel was preceded in death by his loving parents Daniel and Ora Mae; two sisters, Dorothy and Hannah; one brother, William; one niece, Rhonda ("Niecey") and four nephews, Ronald ("Squeaky"), Terrance ("Fat"), Onoriode ("Nookey") and Robert ("Lil Bobby").

“ To Jo Harvey,

Jo I don't know if you will remember me but I lived around the corner from you and Nate and Alexis and Jordan. My daughter attended the bible studies you used to conduct at Rabe Park one summer. My name is Sheila Lester and my daughter's name was Shelby. I want to express my deepest sympathy to you in the loss of your husband. I did not know Nate well but just by my brief encounter with him at the Davoli's yard sale he seemed like a very nice person. We had a brief conversation about the "Q" Dogs if you remember because my older brother also was a member of the Omega Psi Pi fraternity. I had no idea your husband had passed away, I would have extended my condolences earlier. Life is full of ironies. I found out your husband had passed because I was searching the internet to try and find you all to let you know another piece of sad news. I debated about letting you know this but I feel you would have wanted to know about this. If you have not heard already, Mark who lived across the street from you all on Moore Place passed away earlier this week. I just can't believe this. I don't know any details but I know you and Nate were neighbors for some time. I hate to be the bearer of more bad news but this is just so unbelievable to me. Two neighbors that have now gone to be with the LORD. Again Jo, please except my deepest sympathy in the loss of your "soul mate". I will be lifting you and Alexis and Jordan up in my prayers. If you need to talk or anything please do not hesitate to contact me. I know it's been a long time since we have seen or talked to each other but I am here if you need me. My phone numbers are (314)307-1783 (c) and (314)721-3835 (h). May GOD bless you and yours.

Sincerely,

Sheila Lester (Former neighbor)

“ 2 and a half years later and I miss you Daddy. It's still hard to believe that you are gone. I still wait on my birthday for you to call and say "Happy birthday baby" or calling me 2 weeks before father's day asking me what i planned on getting you. I love you and I miss you.

“ Nathan and I worked together at GHP. Nate was like a big brother to me. He always kept a smile on his face. I remember how much of a Raider fan he was. He loved his family, we would always share our family stories. I know loosing Nathan was tough, but you can take comfort in knowing he is with his Father in Heaven. Nate will be truly missed!!

“ I had the great pleasure of working with Nate over the last couple of years. Nate was unselfish and willing to help me any time he could. It was comforting to know Nate always had my back and I hope he knew I had his as well. Nate's positive outlook through his circumstances is lesson I will never forget. I picture Nate now kicking back playing his trumpet and taking a break just long enough to smile down on all of us. I miss you my friend.

Your family is my thoughts and prayers.

“ I am glad to have worked with Nate in the midrange ROCC at AT&T, an often thankless job of late shifts made tolerable only by characters such as him!

I am even more grateful that Nate cared enough about me to keep track of me after I left the ROCC. I was always puzzled why he took an interest in me, but when my marriage took a drastic downturn he was actually the only one I could talk to about it. Nate turned out to be a beacon of light amid the darkest period of my life, a true friend when I really needed one, the "big brother" I never had. He always encouraged me to keep going and would find the sunny spot among my clouds to focus on. I am deeply saddened to hear of Nate passing way too soon, and I will definitely miss chatting with him and his generous friendship. Thanks for everything Nate.

“ It was always a pleasure to have Nate join an outage call with me. He would always come on the line and call me Bubba A and ask what was going on. When on calls with several of the centers from other countries, there was always someone asking about Nate. I have been on several calls that were considered a “Chance to Excel” and when someone on the call would find out that I was a coworker of Nate’s, there always seemed to be a fresh start to the call and a willingness to work together. I only wish I had been able to meet Nate in person. Although I never spoke with any of Nate’s family, you will always be in my thoughts and prayers. I will miss him.

Nate was always a complete pleasure to work with. I Absolutely loved being on outage calls with him. Had a great sense of humor and someone I would have liked to have met in person. My prayers go out to Nates family as I know he is missed by them as he is surely missed by his AT&T family. God Bless...

“ To my friend and co-worker. You will be deeply missed. Eleven years together at AT&T, but a lifetime of memories. I'm grateful for the conversations about work, life, and your sorry Raiders. You always seemed to have a smile to give and an ear to listen. God Bless the Harvey Family. I'm sorry for your loss. You're in our thoughts and prayers.

“ Nate will be missed at AT &T. The room would light up when Nate would come into work in the morning. He was very friendly to everyone and always said good morning real loud so everyone on the 8th floor would reply. He enjoyed talking with all of his coworkers about football, usually mentioning how bad the raiders were and laughing about it. He was a good man and I am proud to call him my friend. Keeping the Harvey family in out thoughts and prayers.
