“ Uncle Norman was like a father to me. Family was very important to him. He was always there when you needed him. He was wonderful and generous. He was the kind of person that showed up when you needed him. I will miss his smile and our conversation. I will miss hearing him say I love you, and I really mean it, I'm not just saying it. I love you too Uncle Norman. You did a great. Rest now.

“ I always called referred to him as “Uncle-Daddy” because he truly was the only father I knew. In a recent visit with him, he told my husband Bird, how as a child, I would always go in his pockets. My husband replied, “she be in my pockets too!” We had a good laugh!....love you Unc....from the favorite niece....ya'll know who.

“ I remember when Norman and Delores had to take Michael and myself skating with them on Saturday mornings and they fussed all the way to the rink. When Norman worked at Bills bar he would cook me the best cheeseburgers. He was always like a father instead of my brother. I will miss him.
