Sending my heartfelt sympathy to the family of Pam Caldwell Lieu. I met Pam at Western Union years ago and she was one of the nicest people I've ever known. Hearing the news of her death took my breath away. It is my prayer that God's grace and mercy will sustain you and help you heal.

Pam was a warm, kind, gentle, thoughtful, compassionate, fun and funny woman who I was proud to call my good friend. Even when her own health issues should have been on the forefront, she was more worried about mine. She would console me when I was sad or down as if she didn't have a care in the world. And, every time we went on one of our lunch outings we would both walk away with cheeks hurting from laughing so much. But we would never walk away without telling the other we loved them – and always with Pam's signature, "I love you more."

But she was wrong because I loved her more than I realized, and I miss my dear friend, Pam, so badly it aches. I still can't believe she is gone, and I don't know what I'm going to do without her. However, she is in my heart with a smile I will never forget and a face I will always love.

Pam's influence lives on in my heart and mind, and the hearts and minds of so many lucky people, where she will stay forever. We who were blessed by her warmth and compassion will never forget the difference she made in our lives.

My most sincere, heartfelt condolences for your heavy loss go out to the family, and know I am thinking of you and keeping you in my prayers,
