“ Just now learned of “ Patti’s passing. We shared school together and were only two of a few of the Catholics in town at the time. Patti was a champion of the weak and a stanch defender of our fellow girls who were independent and “different” .Much love sent to her family and all who loved her. Sorry we didn’t get a chance to reminisce. Penny Hill..now not being so noticeably different living in California.

“ Pat was a great lady who I met in 1969 working at mcdonald Douglas. We lost touch for many years but when we got back in touch she was the same friendly nice person had remembered. The world has lost an angel

“ I had the pleasure of knowing Pat for almost 14 years she was a great friend and always thought about others before herself. I know she is with the angels now because as far as I am concerned she was one here on earth. I love you my friend.

“ Pat was the most big hearted lady I had the good fortune of being associated with. On her job at AHEPA 53 apartments she took care of her residents each and everyday like a mother would her children. There are so many people who are broken hearted in St Louis from her passing. She will be missed.
