“ I WORKED WITH PAT AT THE PARKS DEPARTMENT AND AFTER WE BOTH RETIRED, WE CONTINUED TO KEEP IN TOUCH. WE SHARED LOTS OF STORIES ABOUT OUR FAMILIES AND TALKED ABOUT THE "GOOD OLE DAYS". I WILL ALWAYS REMEMBER HER CUTE LAUGH AND SWEET AND CARING PERSONALITY.
I FEEL BLESSED TO HAVE HAD PAT AS A FRIEND AND EXTEND MY HEARTFELT CONDOLENCES TO HER FAMILY.

“ I remember Pat laughing at all the stupid things Lynn and I did. She didn't get mad. I got to see her last month when I was in St. Louis. Curt was in from North Carolina. We sat and laughed in moms backyard about old times. I'm so happy I was able to see her then. She's a part of our family and we will miss her so much.
Love you, Pat.

“ I remember staying at Aunt Pat's house every Friday night. And without a doubt, I always got hurt. We were at Schuncks and the grocery receipt flew out of the bag, I ran after it and Aunt Pat yelled, "Let it go Tammy, let it go." To late, I wiped out but not before I caught the receipt. I miss those days and I will miss my Aunt!!! Love you
