“ I remember when your home was my getaway from such a disastrous life. You allowed me to stay over and play video games with your friends and I couldn't have been happier. Thank you. You don't understand how much that meant to me back then. And I know I'm late, but I apologize for the way I was. I was young, we were young, there was so much to learn. Things between us were left unsaid, and now I regret not telling you my true feelings. I'm so sorry.
