“ He's been my brother for my whole life, haven't been close to him for over a decade, and it seemed like he was ready to build relationships with his family again. He was doing everything he could to create the safe space for his children. He was so happy when I saw him on Christmas. 🥹

“ I am so sorry to of heard this. This one hit me in the gut for sure. Even though we haven't stayed in touch over the years you were a big part of my childhood and young adult life growing up. Lots of memories for sure! Rest in heaven Phil ❤️

“ This is just one of many pictures of us I have but it was during the Bud Drizzle days lol. Can't believe you're actually gone my friend, more like my estranged brother. Always expected you'd be writing to me first. See you on the other side, rest easy
