So he did what he knew best
He came and stood beside you and whispered (come to rest).
We could not understand it
No matter how we tried
If love alone would save you

You never would have died

“ I'm so sorry to hear about the passing of Phil. I enjoyed seeing him at the center and he always had a smile on his face despite anything he was going through. I left the center 4 days before Phil passed away and never got to say goodbye. He will be missed and will remain one of my cherished patients.

Dear friend you will be missed very much. I always appreciated your kind heart, a funny joke, and admired your walk with God and commitment to your family. I find peace in knowing you will be told "Well done my good & faithful servant"

I will miss you friend. Us joking and laughing before shift change. You calling when you can't sleep and talking to us. I know you are with Jesus now, so it's not goodbye but I'll see you later

It was an honor to have worked with you and to have called you my friend. Your kind heart was always front and center and you always laughed at my jokes--even the bad ones. Rest easy now, Phil.
