Busk, Phyllis (nee Riley) Our beloved mother passed away peacefully on Thursday Sept. 3, 2015. The loving daughter of the late William J. and Filomina (nee Maiorino) Riley. Phyllis is survived by her two loving daughters, Mary MacKay and Kathy (Jason) Foerster; two amazing granddaughters, Danielle and Macayla.

She was respected and loved by all who knew her as she never met a stranger.

“ Dearest Mary, Kathy, granddaughter's and Jason,

Our thoughts and prayers are with you now and always. Phyllis touched the lives of so many in such positive ways. Her loving nature and her beautiful smile and laugh would brighten everyone's day. She touched our hearts when we first met her in 1974 and she will remain in our hearts for ever. If either of you need anything Ron and I will be there. She is an angel!

“ *Kath~I am so blessed to have known your mom, and to have great memories of her. She was always "That mom" that you are excited to see and she always, always had great things to say and a wonderful smile to greet you with-even when you only got to see her every few years! She always made you feel as though you were at home, just like her daughter! LOVE HER Dearly....*

“ Kathy and Mary, my sincere and deepest sympathy to each of you and your families. Your Mom and I always got along so well together. We could talk and truly understand one another in good and sad conversations. We got each other. I always admired her strength and compassion. Every time I would talk to your Mom, she would tell me "I have such good kids". She loves you as much as you both love her. She is a Beautiful Angel now watching over you both. I truly did care for your Mom a lot. She is a Beautiful Soul with a Huge Heart. I Love You Phyllis and you will always hold a special place in my Heart.

“ *To Mary and Kathy*

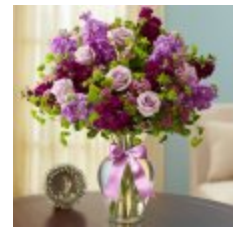

You are blessed to have had your mother as long as you have. It is a difficult thing to deal with her loss. But, her love for you and your love for her will comfort you through the tough times. I did not know your mom very well - I met her on my first date with my husband, Jim. And, we had some great laughs then. She was very sweet and loving as I remember. Opportunities to get to know her better were few and it has now been 24 years since our meeting. Life takes it's turns. But, I believe she and I will meet up again in heaven where we will all be in Great company (laughing and singing). God bless you and your family.

“ To Mary and Kathy.

You were both very small when I knew your mom. Phyllis and I used to bowl together along with her friend, Kathy, your aunt Irene, and Paula. We even went out of town for state tournaments mostly to have a blast!! Such great memories of the 5 of us and all the laughter. I still have pictures of our silly team. I can't believe so many years have past and now she is gone. My prayers are with you and your family. God Bless you and God Bless your Mom.

Sincerely,
