“ Today I thought I'd check up on my old friend. We usually check in and catchup with each others goings ons at least once a year or so. I tried the old “652” number and it was out of order. So I googled his name hoping something would come up to help me locate him. I was getting close to riding down on Mfft. Only to find this! I literally had to pull over and park my car. I'm shocked. I'm hurt and sad. I will remember you always Quentin my dear friend. You will forever be missed. 🥺❤️
