“ Uncle Ray you will be missed. It was good getting to know you. I'm glad you are not suffering in the physical form but are free in spirit form. From jam sessions with dad to simple prayers with grandma, your memories will live on.

“ Uncle Ray may you rest in peace. You are now with your mother, father and your brother. I know you were missing your brother alot. Now both of you are together again. I have some good memories of you helping move into my 1st home, taking you out to eat and more. I know life wasn't the way you hoped it would be for you but know God had you covered no matter what the situation looked like. Rest in peace uncle Ray 🕊️🕊️🕊️🕊️

“ I am the SORTS Chaplain, Chaplain Chuck. I would visit with Rayfield (via his request) to have prayer with him. I was always blessed when i finished prayer because Rayfield would continue praying and would include me within his prayers.

Rayfield request to have his last rites ministered. it's been a few weeks now but I had Father Thess (Farmington's Parish Priest) to come in and together I witnessed Father Thess minister Rayfields last rites. Rayfield is in perfect a place, with perfect peace. Because of the love of our Good, Good Heavenly Father!
