“ I will always remember Renal's everlasting smile and the joy he brought to those around him. His laughter was so genuine that it seemed to fill the room. One of the things I admired most was the special bond he shared with his Unc —a closeness built on love, respect, and friendship.

In my opinion He was a devoted family man who worked hard to provide for and care for his wife and children. His dedication, strength, and love for his family were evident in everything he did. He leaves behind a legacy of kindness, commitment, and cherished memories that will live on in the hearts of all who knew him. He will be deeply missed. Jeanetta Owens and Famiky
