“ I will truly miss Rick. This Christian Brother had a keen empathy for others. Students felt this, and faculty did as well. He was the second person I met on campus, and I can honestly say that any time I worked with him, ate lunch with him, or just talked with him, I was refreshed. To the family, it will be hard, but knowing the future for believers, it will become bittersweet with some time. Thanks, Rick. - Bill Felty

“ I have been so sad with the news of the passing of one of my favorite and beloved colleagues. Rick's graciousness, generosity, grace, gentleness and humor always made me smile and warmed the halls of 3rd floor Field. He was a beloved man of God to students and colleagues alike. I am praying for his family during this very difficult time that the peace of God that transcends all understanding will envelop his loved ones.

God speed, my friend, and stand tall in Heaven's high grass.

In the love of Christ,
Stephanie Baumann

“ *Dr. Maclin is now with the Lord. He was a faithful servant of God and friend to me personally. He was an encourager & was used of God in many ways. He will be missed & I look forward to seeing Him again in God's perfect timing. I am glad he is now completely healed & in no pain & is alive & present with the Lord. May we live in such a way that he would be proud of us. He set a great example for us all & we have been blessed to have known him. He has left behind a wonderful legacy. My prayers are with his friends & family.*

*Sincerely,
David Bailey*

LS

As a young man while attending Missouri Baptist, I remember Dr. Maclin when he first arrived. He spent many of those years being a great inspirational guy to many of us who knew him .I remembered going to his church and listening to him and also marrying a couple who were friends of mine. I am deeply saddened to hear the news ,but I will never forget him.

“ One of my early memories of Dr. Maclin was when he first came to the Fontbonne University OPTIONS program as the new dean. This young program was in need of some strong leadership and he answered the call quite successfully. The first meeting with his staff he brought each member a bicycle spoke with a ribbon tied around it. He told us we were the spokes - all important and necessary - that turned the wheel of operations of this program. I still have the spoke. I feel so blessed that I had the opportunity to work with Rick and serve under his guidance and leadership. Janace, my thoughts and prayers are with you and your family. May you all share the happy memories. Peace be with you, Carol Dillon

RB

“ For the time getting to know him, Dr. Maclin was a very wise and gentle soul. I am glad that we had the opportunity to gain some of his wisdom before his transition. He has played a very incremental role in our lives that will be displayed through our ministry. Thank God for the best and brightest!!!

Rev. & Mrs. Merrimon Boyd - July 26, 2013 at 01:52 PM

“ My prayers are with Dr. Maclin's family. The good doctor taught a few night classes at the Troy/Wentzville campus over the past 10 years and God was gracious in giving me the opportunity to meet and talk with him on some of those occasions. We had some very good and enjoyable chats before class more than once! He spoke often of his family. I will greatly miss those brief conversations with this good man.

“ I will miss Rick. We didn't see each other often because of our schedules, but whenever we had a chance at meetings or lunch, we talked. He was such a good man and a gentle one, always asking about my family, concerned for students. Such a lovely, lovely man. If I will miss him knowing him as little as I did, I can only imagine the pain of his family who knew him so deeply. My prayers go out to you and will continue in the long days ahead.

“ I will miss Dr. Maclin dearly! He always had a smile, a consistent Christian spirit, and most of all showed Christ's love daily. I will miss my friend, but will always cherish the "words of wisdom" he gave me. We are praying for the Maclin family!

“ Janace, Tim, and Michael I am so sorry for your lost. Dr. Maclin was an awesome Administrator here at MBU, we had lots of fun over the years and he was always willing to help me proctor the many exams that I gave. We were both attending Webster University finishing up our Master's Degree, which I use to mess with him saying that he did not need since he was already a Doctor :)...Dr. Maclin will be greatly missed, but know that he is now in a better place. One of my favorite sayings of his was "Stay under the radar" :) which I plan to continue to do....If you all ever need anything please don't hesitate to call.

God Bless,

To The Family of Dr. Ricky Maclin I would like to express my deepest sympathy to each of you. Michael, I am acquainted with the pain when our loved ones fall asleep in death. I had the pleasure of meeting your dad at your greet and meet at UCHS. In Matthew 6:10 Jesus taught us to pray for God's Kingdom to come here upon the earth as it is in the heavens. The fact that the heavens is peaceful, no sickness, death, etc. is surely a place where we would like to be. So when we pray for these conditions to come on the earth, we are asking God to restore the earth back to its original condition when he created the first Man and Woman. That Kingdom will be a reality here on the earth. The Scriptures promises that the day is soon to come in which death will be no more and that Almighty God Jehovah will wipe away the tears of sorrow from our eyes forever. (Revelation 21:3-5) He promises too that your loved ones, my loved ones and many others will hear his voice and come out of the memorial tombs (graves) to live in heaven-like conditions right here on the earth. (John 5:28,29; Psalms 37:29)

Janice Beverly - July 22, 2013 at 07:40 AM
