“ Rob was first my husband and then became a lifelong friend. We had some of our best times when traveling in Maine, New Hampshire, Rhode Island and Pennsylvania - camping and staying with all of his relatives. We shared love and grief and most of all our beautiful children. He was a loving and fun father. The memory of him tickling them, swinging them, hugging and kissing them are so sweet.

He was so dedicated to all of the positions he held at Hazelwood West and he loved their sports and kids. He really was a terrific athletic trainer!

I will miss reminiscing about our time as young parents, teaching in the Hazelwood School District, mutual friends and mostly sharing about our daughters, grandkids and our families.

Our marriage did end, but mutual respect and devotion to each other as dear friends never stopped. A piece of my heart went with you Rob! I know you had a great homecoming in heaven.

“ So heartbroken to hear about Rob. Growing up as next-door neighbors in Carrollton, the Blakes were more like family to us than just neighbors. I have so many wonderful memories of our childhood together—from playing in the yard to sharing milestones. Sending all my love and deepest condolences to the entire Blake family during this incredibly difficult time. You are all in our prayers.”
