“ *Please know that all of us from the gearhead community are deeply saddened by Bob's passing. He will be remembered forever as a dedicated innovator, whose work and dedication proved equally or more effective than many famous hot-rodders of the 60's. It is not an exaggeration to say his work be studied for years. RIP Bob.*

“ Bob had a heart as big as a mountain. He too care of Lou and Charles Hale as if they were his parents. He loved and protected his family. Loved his cars , his two beautiful daughters and adored his wife Lisa. Be at peace Bobby..no more pain or confusion you are in your final home. Love Terry Crowder family.

I didn't know Bob, but he was a member of a car site I frequent. Those guys say he was a good man. I am sorry for your loss. I hope you can find comfort knowing he is no longer in pain.
