“ Robert Ware was a charismatic promotions expert for St. Louis Sentinel Newspaper. And helped advertise professional model shows of which benefitted my modeling career. We both shared a love for live great American music aka jazz and dinners together. 10 4...rest in peace. C. Deanes Jr.

“ Ware.....my friend, my family friend is truly missed. He was my travel buddy, my confidante and my mother's "seventh" son. He always wanted to know if his room was still ready in our Florida home. God has called Robert home and I'm going to end with this message after all our phone conversations. He always said, "Gooch, keep it in the middle of the road." So Ware, up in heaven, "Keep it in the middle of the road.... 10/4."

“ Well, Mr. Ware. I will miss our long talks on the phone. I will always remember our road trip to Murfreesboro, Tennessee. You told me during the entire 8 hour road trip you never heard the same song twice from my iPod. :) You will be missed. 10-4 Cuz. Peace!
