“ When tomorrow starts without me
and I'm not there to see.
If the sun should rise and find your eyes
all filled with tears for me.

*I know how much you love me
as much as I love you.
And each time you think of me
I know you'll miss me too.*

*So when tomorrow starts without me
don't think we're far apart.
For every time you think of me
I'm right here in your heart.*
