“ *My lil cuz was like my lil brother. Weasel and I, grew up in the "Big Red and White House on Harper Street. We went to Webster School together I loved this young man more than life itself. I will miss our talks in the barber shop, during family gathers and in passing. He was a true father, brother, son, cousin and friend. My heart hurts so.....much. There aren't any words that can express how I am feeling right now. Today is November 10, 2017 I cannot get a hold of my lil brother leaving us so soon. I know Mr. Weez is with Jesus and our love one's that have went on. I love you brother you will always be in my boys and I heart.*

Love Woosie and Boys.

“ *My "Weez" you are sadly missed by both Big Mike and I as we feel we have truly lost one of our own children. There is no other than can replace the love we bonded over the past 30 years. Landis, you will always be my other loving son and just know God has him in his arms. May God bless the entire family and may he rest in peace*
