“ *So many memories....Ronda, we have spent over 35 years of our lives being family, friends, and like sisters...we enjoyed many card party's, holidays, camping, bingo....you were truly my very best friend. We got married, had kids, became grandma's and all the life that came in between. I have never known anyone like you...you would go out of your way to help anybody you could...and was there for me too many times to count. You listened, gave advise, and most importantly love me and my family. You will forever be in my heart. So brave.....you told me not to cry for you, that you were "ok" with your prognosis as I cried like a baby when you told me you were sick. You shared your opinion on it by telling me that there are baby's with cancer that won't get to live years and that you were lucky to have had the time you had. Your outlook on life was something I will never forget. I will hold your memories in my heart forever. I loved you so very much, miss you already. Mary*
