“ For the brief moments that Rufus and I met, I am glad that we did have that chance to be introduced. I am even gladder still that his daughter Clara got to see him after her search to see him was answered. We pray that Rufus is truly in a better place and we pray for comfort and peace to the Cole family.

“ *RIP Grandpa. I'm so thankful to have met you before your passing and to see where I got my love of motorcycles from. Although you're no longer here on earth, I pray that your spirit soars for eternity.*
