“ Aunt Ruthie,

I can still hear you telling me "I Love you because you were my brother's baby". So many memories growing up. I don't know why the one that always stands out is the Christmas tree you brought home from Venture's already decorated with the hot air balloons. Poor Uncle Gene had to carry that thing up and down the stairs still all put together. It was so beautiful and loved coming over at Christmas time just to see it. You have truly left a legacy for your family to follow, which won't be easy. You instilled not only in them, but everyone you knew, Your love for God and his love to all of us. You were an amazing Christian woman and I am so thankful that you were a part of my life as being my Aunt. Spread your wings and fly high with the Angels of God. Until we meet again, I love you.

“ *Ruth (Mrs. Prier to me), was one of the prettiest ladies I knew. She was our neighbor and her daughter, Gina, was my best friend. I spent a lot of time at their house, in the "pool" , and climbing the tree in the back yard. I'm so sorry, Gina. I have nothing but really great, fond memories of your mom.*
With much love,
Sharon Sullivan (now Sherrill).

“ I still talk about your mom to people. She made a lasting impression on me about ironing!! She shared with me how she didn't mind ironing for your dad because she took that time to thank the Lord for his strong arms and his ability to work and take care of the family. I have to say every time I iron I think of her! She taught me to be thankful doing a task that is often dreaded. One day we'll be reunited with her! Praying for you all.

“ Aunt Ruthie. You were a beautiful woman with a beautiful spirit. You will be missed by everyone. I will never forget our many visits of talking and sharing stories. I especially love the one where you kept me for 2 weeks when I was a baby while my mother had back surgery and you called my mom and dad to come get me because you were getting too attached and was afraid you wouldn't wanted to give me back. I shall cherish this memory forever in my heart. I love you and will miss your smile always.
