“ *I am so sorry for your loss Cindy. Although I haven't seen you in like over 30 years. I am so glad I found you on facebook and that was through my brother. I often think of you throughout the years. I am so sorry you have to go through this. My heart goes out to you. Seeing all your posts on fb, it always seems you and Sam were quite busy with lots of projects. I just pray for you to get through this time. And I believe you have a good support from family. My condolences to you and your beautiful family.*

“ I never met Sam, but became a friend to his wife Cindy through face book. I always loved her messages about activities and events they shared. I always admired both their energy levels and devotion to each other. I was broken hearted, to learn when Sam first was diagnosed with cancer. I followed his struggles, and admired his strength. I can truly understand Cindy's grief, having followed that same sad path with my hubby Ron. My prayer is that Cindy will hold on to her faith and get strength to carry on alone. I pray that **TIME WILL BE HER FRIEND**. Sending hugs to Heaven. Hugs to you too Cindy, from your face book friend. Cindy Marcacci
