“ It'll be 5 years this year since you left earth and went home to heaven.. I was a 19 year old kid when you passed and I remember telling myself that I was going to have forever to live without you (here on earth) 5 whole years have passed and now big accomplishments are happening for me, milestones I told my 19 year old self that I would have to do without you by my side....they are here and I don't know what to do. It's hard to believe it's been 5 years without you. There's not a day that goes by where I don't think about you bubs. I hope heaven is treating you well..I hope you're happy and healthy. I'm sorry this world couldn't keep you safe. I love you more than a tree, I'll see you someday again

“ *When Sean came to visit one summer, his Grandpa Byrd and I spoiled him so bad, little presents waiting for him each morning when he woke up and days filled with mini golf, etc. He asked me why all the fuss, why was I making him feel SO special. I told him " cause you are my NUMBER ONE GRANDSON!" He thought for a moment and said, "But Grandma, I'm your ONLY grandson." I smiled and we both had a good laugh. After that, we would laugh and joke when I would ask "how's my NUMBER ONE Grandson?!" I know my 'NUMBER ONE" grandson is now resting in the arms of Jesus, until I can ask him that same question and we both can share a laugh. Oh, how my heart and soul ache for you Seanie...until we are together again. All my love, Grandma Gail*

“ *Sean was a very loving, passionate, respectful young man. I loved Sean with all my heart. He called me "Aunt Marce." It is very sad to say goodbye to Sean and I will miss him dearly. I pray for healing for the family he has left behind especially his mother, my best friend Julie, and his sister Alyssa. I can't imagine the pain they are all feeling at this sudden tragic loss. I'm so sorry to all of the family for this tragedy and loss of a dear loved young man Sean.*
