“ *I am so blessed by being included in this wonderful family as a friend. I am grateful for the time that I was allowed to spend with Mr. Bisram. He shared a great deal of memories with us when would gather around. He would often speak of his time in Guyana how hard he worked to support his family, New York when employed as a security guard and time here in St. Louis with his family. I loved hearing his stories about his view on politics and the world. To the Bisram Family, please know that I am sorry for your loss and know that he is looking from Heaven on all. Thank you again Mr. Seeram Bisram for gracing me with your presence, wisdom and care.*

*Sincerely,*
