“ My many memories of Selena began with her uncanny ability to never meet a stranger! Her beautiful personality was a gift from heaven and made you feel blessed for just being an acquaintance. A God filled woman, she was a dedicated church usher. I had the pleasure of working with her, and Frankie, on our Greater Mt. Carmel usher board and representing our church at the regional, mid-regional, and national conventions. She and Frankie were always the model couple, inseperable. If you saw one, you saw the other. God wanted another flower for His garden. When He looked around, He saw her bright light and knew she was qualified. She will be drastically missed! God, please Bless her family and give them strength. Amen!

“ Selena was ALWAYS "one of us" during our Highschool Reunion activities.
She. was warm, friendly & so kind.
She supposed her husband, Frankie, during all of the activities.
She was always by his side, at his table & so quiet and unassuming.
She stood in the membership of the class of 1966.
Her picture stands beside Frankie as THE CAPTAIN of his cheerleading squad and her smile shows her love & support for her husband and shows love & support for his classmates .
She will always be a part of THE Purple 💜 and Gold 🟡❤️ OF HERNANDO CENTRAL HIGH

“ *Thoughts and prayers to Frankie and the family at the homegoing of Selena. We will miss her smiling face at our next gathering of the Hernando Central High Class of 1966. Thank God for her life and the precious memories that we have of her. Our lives were truly blessed from the short times we spent with Selena. We are asking the Lord to comfort you Frankie, and the children in this your time of sorrow. Remember, absent from the body is to be present with the LORD and so shall we ever be....*
