“ I am shocked to learn of Sherry's passing. We were the best of friends since we were 14 years old. I called her Sher and she called me Lucy. I knew Sher was in and out of the hospital and I could not reach her on her cell. She is in the arms of our precious Lord and I will see her again. We laughed together and cried together at times. She will remain my best friend and prayer partner. When we meet again it will be on the beautiful shores of Heaven. Until then we who are left to mourn the a beautiful light missing in our lives will remember your loving kindness. I love you Sher
