“ *Mrs. Shirley was truly a beautiful and elegant lady. We were blessed to have known her as a wonderful neighbor. My husband and I will truly miss seeing her drive down Crestland in her white Volvo. Love and prayers to the family.
Precious memories how they linger.*

“*Moma Shirley, as I called her, was my good neighbor, friend and second mother. We would enjoy our moments working on DIY projects. If you have ever had the chance to see the inside of her house or mine, for that matter, you'd understand. Her decorating taste was exquisite, but affordable. I used to always say to her, "I want to be like you when I grow up!"*

She loved her hot tea, decorating her home, gardening, taking soothing baths and driving around in her little Volvo. She was very practical in all phases of her life. She always served as my voice of reason.

When I learned of Moma Shirley's passing, I was okay because you'd have to know her to know that she knew our Lord Jesus Christ.

Moma Shirley, I'm truly going to miss you but I'm confident that I'll see you on the other side.

Love You Always
