“ *Mama Steph you will be missed greatly down here. You welcomed me with open arms always. Your smile, humor and dancing will forever be the life of the party of the good times we've shared. What a wonderful spirited person I've got to know in a short 8 years while being with your daughter and welcoming another grandson with her. These grandkids adore you so much mama Steph.. we love you and I thank God for allowing me to share a moment of life with you.*

“ Dear Sis, I will forever miss you. I am grateful I was here to walk through your journey with you. God kept us together for over sixty years but has called you home to his “Glory.” As we began your journey, I asked if you were afraid and you said, “no.” Those words you spoke were very true because you were a fighter until the very end. I never heard you complain and never cry. There were times when your eyes would fill with tears but you would never let them fall in front of me. You just didn’t want you Baby Sister see you cry and I knew that. You were always petite all of your life; however, I never knew how strong you were until the last couple years. I was very proud of that fighter in you. Though I had so many sleepless nights, still I kept the faith and prayed that God grant you daily strength which he did. I can go on and on talking about your journey but the greatest journey was for me being there by your side until the very end. I can’t imagine you not being present in my life But one day when God returns for me because he is for sure. When Jesus return I hope to see my loving son, Kenneth, You, Rachel, Lawanda, Terell, Carmain, Rob, Rochelle, and Peebles to name a few... hanging out in “Heaven.” From you Baby Sister Lisa
