“ *Although we are new neighbors, Steve always took time to answer our 4-year-old's questions about his bird and his three cats. We enjoyed watching his front yard to come life on Halloween and Christmas as he worked long and hard to create something memorable. Our street won't be as festive without Steve. Our thoughts are with his friends and family.*

“ Steve was my neighbor and he was so kind and welcoming when I moved in over 7 years ago. His enthusiasm sharing his love of the holidays (in particular) Halloween was contagious. His house was the place to be on Halloween for all the neighborhood to check out the latest with his decorations. And he loved his animals so very much. And that included my dog, because he would make a point of giving her his old Tennis balls. Many a day I would come home to see a scattering of tennis balls in the lawn for my dog to enjoy. Thoughtful and kind. I will miss him very much. My deepest sympathy to his family.

“ Steve and I have been neighbors just across the street since he moved to the neighborhood 11 or 12 years ago. He was a good friend and his Halloween and Christmas displays ALWAYS made the kids (as well as adults) smile. HE WILL BE MISSED. 💙
