Somewhere over the rainbow bluebirds fly. And the dreams that you dare to oh why can't I? Well I see trees of green and red roses too. I'll watch them bloom for me and you. And I think to myself what a wonderful world. Sues anthem. Love ya sis.

“ Soooo many great memories that started in kindergarten with our "kindergarten pack" of Lifelong buddies. She will forever be my "Sista". My heart is heavy..she was a loving, funny, full of life gal, who I will treasure all of the many memories we made growing up in the same neighborhood from kindergarten, grade school, junior high , senior high through Graduation and beyond. Your sweet smile will be sorely missed and my sincere thoughts and condolences go out to her entire Family at this sad and difficult time.
