“ Larry, Terry, Kurt & Leon fixtures in our home for over 20 years. Terry always with a smile and a laugh even a dance or toe tap. I can't say I recall him ever being negative, Terry truly lived life, loved his daughter immensely and didn't know a stranger, am sure no moss ever grew under those boots. God bless, my friend thank you for the laughs!! Norma

“ Always will remember Terry as a young boy, who use to come by our house to hang out with my younger brother. Terry was always a joy to have around. He seemed to always be laughing. He use to call me Sis when actually his older sister Barb and I were best friends and we still talk. Heaven is waiting, so take your place. Peace to all of your family and friends. Maureen Lieser.
