“ *I remember when Terry took me to get my driver's license and it was on a car with a stick , and when I use to go to his house on the weekend I learned how to cut my hair and he taught me how to fight and ride a motorcycle and he will be truly missed and I will forever be grateful and thankful that he was in my life and I got to know his love and I will never forget he was there for me in my life and I love him dearly thank you for all you have done for me.*
