“ *"Miss Lou" (as she was respectfully & affectionately called by many in the office) ..was always cheery, upbeat, and a pleasure to be around.*

She was eager to help me whenever I had questions or needed direction - and I didn't even work on her team. That was just her kind spirit.

Her BIG smile and BIG laugh was recognized by everyone.

She will be greatly missed. Sending prayers to the family and all who knew and loved her.

“ I’m am saddened to hear of Lou’s passing. I first met her at JEWISH hospital in patient accounts department May of 1989. We did a lot of happy hours together. I admire her for always speaking her mind and being truthful. She helped me with my campaign with the school board 2 years ago. She always took care of her community and my family who also lives in Berkeley. She will be missed. RIP my friend!

“ Lou as I called her lit up the room when she smiled. She was a dedicated public servant, elected as a Councilwoman in the City of Berkeley and always kept her constituents first and foremost. Thanks Lou for all you did and remained my friend. I was proud to serve with her and will miss her.

“ Louvenia and I met at Bomar & Sons where we both sold real estate during the 80s. Even way back then she was involved in her community and had a heart to serve. I was very saddened to hear of her passing but very happy to hear how she continued to make a difference in the lives of others through her selfless serving. She will be greatly missed. 🌸
