“ To the Hughes and Hatfield family this is TEDDYS .OM AND SISTER to the Hughes family and our family I send our condolences and heartbreaks and is tragedy Teddy was not only my son but he was my best friend. He was a loving outgoing boy and grew up to be a great man he has a wonderful daughter that he thought highly of. But we have not seen him that happy like that besides my granddaughter winter (Cheyenne's daughter) when I got the phone call that my son had passed away I was devastated and thought it was a bad dream. My heart is hurting so bad you don't understand I love you teddy Jeremiah Hughes AKA Ted Nugent love Mom and Cheyenne

“ Teddy was my person, my soul mate, my twin flame. He loved us so much, Teagan and I. And God do we love him. Life was a struggle at times. He was trying to fight hard but he lost the battle. Teagan and I believed in him. He was our family, her papa, and the love of my life. Our world is shattered. We need him. We don't have a family without him. Nothing is the same and we are broken. Teddy, I will love you forever and always. Teagan will always know who she was to you, who her daddy was, and how much you loved her. I will do the job of both of us, I promise you she will grow up in a loving, encouraging, and happy home surrounded by her sisters, brother, and nephew Tate. We will stay as strong as we can, even though right now it's hard to feel anything but extremely broken. You were loved, you were our everything and we miss you more than anything! I love you Theodore Jeremiah 🥺🥺💔🙏
