“ Rest In Heaven my friend. Your spirit and legacy lives on. Your intelligence was beautiful. We became life long friends 32 years ago I'm devastated that you passed away. You inspired me. Prayers and condolences to your entire village I can't imagine the hurt and pain during this time. But I know they have all the tools to continue on life's journey.

“ *I remember hanging out in front of Berenda's house with her, Tan Tan (what Mrs. Carrothers called him), Ann, Kelly, and meself just laughing and joking about everything on Cook during the summers. He loved his family and enjoyed spending time with all of his nieces and nephews.*
