“ Daddy I love you very much! You will be greatly missed & forever cherished in my heart & memories! There's so many wonderful memories I have growing up & in my adult life. You taught us the true meaning of family..I remember all the picnics @ Carlyle Lake, going to 6 Flags, Swimming @ Alton Beach, Baseball in Forest Park, Swimming in Herman Park where you taught me how to swim. You gave me an appreciation of Music from listening to songs of various artist come from basement parties you Hosted with class & style. Watching you enjoy Sunday football yelling whenever you yelled & cheering when you cheered! Your Marine background taught me how to clean & maintain my home environment. Your love for Airplanes gave me the same love for the Airline Industry & my pursuit and current Career as a Flight Attendant which has taken me to places I could only dream of. I'll miss the times we would get together as a family & have drinks, listening to music, enjoying Karaoke. I am proud to have you as my Dad. Things I didn't understand as a child and the responsibility of providing for 8 children, instilling lifelong values and so much more, I would like to say Thank you! If I had one prayer today that the Most High would answer, is he gave me more time to spend with you. Rest assured that your hard work as a provider to give us a better life will always be appreciated! I know you are with many loved ones who have gone before you so I know you're in good company. May your Soul, Spirit, Heart & Mind Rest in Gods Eternal Peace! You will Forever Be Loved, Missed & Cherished! Your Baby Girl, Kimberly 💕💕💕💕
