

Tim Cobillas

May 12, 1938 - April 7, 2013

Tim Cobillas age 74 of Florissant, Missouri. Tim Cobillas, born May 12, 1938 in St. Louis, Mo. to Bernard Cobillas & Lillian Houchen. He was the eighth child of seven siblings: Dorothy, Bernard, Steven, Victor, Tonia, Joe & Charlie. He lived in St Louis his entire life. He spent 4 years in the Navy on the US Essex and spoke often about his travels while enlisted. He was very proud when his grandson, Randy who followed in his footsteps joined the Navy as well.

Tim never met a stranger! He loved to fellowship and joke around, which apparently is a "Cobillas" trait, and he was very proud of his Philipino heritage and his family growing up.

In 1960 Tim met Janet Lorene Aubuchon through a blind date and was love struck from that moment on Janet and Tim started dating that summer and have been a couple ever since then.

On September 2nd of 1961 Janet and Tim were married making her Mrs. Janet Cobillas.

Tim loved having her on his arm wherever he went and was proud to be her husband. Janet meant everything to him.

Shortly after he was blessed with 1st daughter Tammy, and later with 2nd daughter Cynthia, 1st son Timothy, and 2nd son Mark. Talk about a house full!

Tammy with husband Ronnie, Tim's grandsons Jamie and Joey, and granddaughter Kaitlyn

Cindy with husband Keith, Tim's granddaughter Brittany, and grandson Randy with wife Jessica, and Tim's great grandson Landon and great granddaughter Kylie Tim with wife Kristy

Mark with wife Melissa, with Tim's grandson Christopher

When he became a grandfather he was one happy man! He and Janet was there when each one was born. They always brought a smile to his face. He loved looking at pictures of them and visiting with them when they were in town. To them he will always be known as their Pawpaw.

He loved his family dearly and everything he did was done with his family in mind.

He worked very hard and made sure his family was taken care of even until he passed away.

Tim worked at McDonnell Douglas for most of his life and retired shortly after it became Boeing.

He had great faith and love in the Lord. He loved teaching Sunday school alongside Janet and occasionally preaching. He loved fellowship with the church family and was well respected. His church family through the years have many memories, and can share many stories about him.

Janet and Tim spent most of their life at their home at 4435 North Hanley in Berkeley.

Tim and Janet later moved to their home in Florissant where they have lived for the past 18 years.

He remained extremely close to family throughout her entire life.

When we think of Tim, we will also keep in mind how much he adored his wife and children.

His relationship with the Lord and his relationships at home were the most important aspects of his life Tim truly was a success and has left behind a great family and many great friends that can testify to that. He will be truly missed, but we all take heart that he is in the loving arms of his dear Lord. Beloved Husband, Father, Grandfather, Great Grandfather, Bother, Uncle, and Friend

Thank you for touching our lives.

“ I remember Tim from years at Florissant AG and then at Trinity. Always greeted me with a smile and a firm handshake. Raised his family to love God, and taught others to do the same. Im confident that he is rejoicing in heaven and the Lord has said "Well Done Tim!"

“ A few weeks ago I found a note from Tim dated back to 1997. It was something he had said to me at church(Trinity). The note read,"How can you say you love God when you hate His greatest creation,yourself." I sent Connie a text telling her that I had found it. It flooded me with memories of your Mom & Dad and all the times they had prayed for me & counseled with me. Then just a few short weeks later he has GONE HOME. What a celebration he and his beloved Janet must be having. He was a family man full of prayer, wisdom & love. I am praying for your entire family and my heart goes out to each of you with love and deepest sympathy.

“ *Pawpaw, I always thought of you as my own Grandpa. You made me feel so welcomed to the family when we first met and feel so loved the 4 years I have known him. He was always so nice and knew how to make you laugh. I am so glad that my kids have got to know you. Even Kylie says pawpaw when she sees a picture of you. I wish you could of been around longer but I know that it was time for you to go and I appreciate the time that I have had with you. I will forever miss you. Family functions won't be the same but I know you and mawmaw will be looking down on us. Love you!* ”

“ I have so many memories of my sweet Uncle Tim. One of my fondest is when he and soon to be bride, Aunt Janet, took me and my other two siblings for a ride in his convertible. He bought all of us ice cream cones. With the top down our ice cream was melting faster then we could eat it and Aunt Janet just kept passing us napkins and they were flying out of the car as well as spays of ice cream. He was very patient about the whole thing. I love him so much. I can't believe that he and my father are gone now. I can't even express how sad. My comfort is knowing that they are not suffering any more and that they have always had the love of their families. My heart goes out to my dear cousins.

So hard to believe my precious Daddy is gone, but I know he is now at total peace, adn I can just see him now, giving my Mom trouble and probably doing the jitterbug! He is now reunited with his love, Dad, don't worry, you took care of us long enough, we will miss that big smile and your infectious laugh. Love you beyond words.
