“ 46 years of Tracie just want not enough..... There are not words to can explain the impact of the lives of the people who loved this little giant. Tracie was bigger than life and loved on "her" people. We were more that co-workers, Tracie is my forever friend. Hearts are heavy. I can only image what others who knew you longer feel. I am praying daily for your family....

“ To know you is to love you, I'm going to miss you at work Mrs. Tracie. We have shared so many laughs and fun times together. So many parents have been reaching out and sharing how much of an impact you have had on their life and the children's lives. I'm praying God gives your family strength during this time.

“ Oh, the joy you brought into our family and how happy you made my nephew and all of us in your home and ours. We are deeply saddened by your absence now but we know there is a time for everything; a time to laugh and a time to weep. We weep today but tomorrow we will remember you with joy. We extend our heartfelt love and deepest sympathy to 'D' and the entire family. Continue your rest in heavenly peace,
