

Dr. Ulises Casimiro Alvarez

March 7, 1925 - December 19, 2015

Fortified with the Sacraments of Holy Mother Church. Saturday, December 19, 2015 at the age of 90. Dr. Alvarez was born in Havana, Cuba to the late Pascual and Luisa Alvarez. Due to the early death of his mother he and his sisters were raised by his late Aunt and Uncle Ramona and Gabriel de la Vega. Proceeded in death by his beloved wife Margarita, daughter Helen and sister Aida. Beloved father of Ulises and Dr. Juan (Patti), adoring Grandfather of Ana, Cristina (Jon) Broska, Francisco (Natalie), Elena (Travis) Shively, Maria and Johnny. Loving Great-grandfather to Caitlin and Nora. Dear Brother of Hilda Solernou. Loving uncle, doctor and friend.

Dr. Alvarez practiced medicine for over 50 years. Many lives were impacted through his excellent diagnostic abilities and keen understanding of human nature, earning him the admiration and respect of his peers. His patients regarded him as the kindest, most intelligent and empathetic man they had ever known. He loved literature, history, music, art, his Catholic faith, and, above all else, being with his family.

A very heartfelt "thank you" to the many skilled and compassionate medical professionals and nurses who were by his side during this time.

“ *Ulises was my late husbands uncle! I met him the day before our wedding and he has treated me like family since then! My children and I have wonderful memories of him and he will always hold a place in our hearts! As he arrives to the gates of heaven there will be many of our loved ones who have also left us and will welcome him with loving arms! His sister Aida, his nephew and my late husband Rafael, and of course his soulmate Maggie! We will miss you Tio Ulises but I am confident that you are happy in heaven with those you love and who we also continue to miss!*

“ *It is difficult to express how sad I am that my "Tio Ulises" is no longer with us. My uncle was always a gentle and loving man. As a doctor, he was compassionate and caring. As a family man he always set a good example and you could not ask for a better husband, father, grandfather and recently great grandfather. My mother and he would talk on the phone every day....asking each other how they were doing. He would call me almost every week even if for just for a few minutes. I will miss his random calls, looking for odd books to send him and daily updates on his well being from my mother. But he has left me with great memories which I will always cherish. To my cousins Juan Manuel and Ulises you know how much I love you all and that I am with you during this time and always. Although we may be far in distance we are always close at heart.*

Tio...I love you and will miss you..until we meet again.....

“ Dear Johnny and Ulisito,
Words cannot express the sadness
That we feel with Ulises passing. As far as we can remember,
Maggie and
Ulises have been an integral part of our lives, just like you.
We were all bonded by love, respect, and "wonderful memories" of
time shared during different stages of our lives. These memories will
keep us going... Time may pass us by but they
Will remain as vivid as when it was actually happening.
Maggie and Ulises Mami and Papi,,
Were our pillars but they left us a legacy of faith, trust in the Lord
and a sense of family that will give us the strength to carry on until
we meet again at the Gates of Paradise. We in turn ,will pass this
on to our children and grandchildren.
We want to share your pain at this most difficult of times with you
and your families and let you know that we are here for you.
Though we are in pain, let us celebrate Ulises' beautiful life. He left
a legacy of
Love and respect to his family and so, rejoice with him as he is now
reunited in Heaven with his beloved daughter, Helen and the Love
of his life, his
Unforgettable wife Maggie.
May he rest in the Peace of the Lord.
Love you always...
Your cousins Lourdes and Mayito

“ My condolences to the Alvarez family. Dr. Ulises had such an amazing and inspirational life. He left a legacy for his family. His patients always spoke so highly of him- that he was the most compassionate and caring doctor they ever met. I didn't know him when he was practicing but I can say I think the same of Dr. Juan. We love you guys and will be praying for your healing this holiday season. Love, The Walls family
