“ Auntie we are going to miss you very much. You were our Matriarch of the family. Your special gift you gave to us will forever be in our hearts. You always made sure we got together as a family. At our reunions we had to sit with family that wasn't from St. Louis I understand now. Thank you for your gift of wisdom, grace, and your excellent cooking. You made my wedding cake you are a Queen and you will always be in my heart. Thank you for being there for us when our dad your Big Brother was transitioning to his resting place “Clinton Johnson “Clem” I hope you're enjoying them as you are in your resting place as well. Our hearts are broken and our tears will continue to flow. But knowing you are pain free wipe away our tears. Love you Queen Auntie Velma. Cousins we thank y'all for sharing your mom with us!
