“ *Vera was one of my closest friends... my big sister. She inspired me to stay close to God & was a positive influence on me & my family. She will be truly missed. I pray for Harold, Ethan, Na & the entire family as you grieve and grow.*

“ *I have known Vera and family many many years and they are all wonderful people. Every time I seen Vera; I would say how are you? She would say "I'm blessed" and even in tough times she always had a positive attitude. I enjoyed visiting with her and I think we both knew when we sat down it was probably at least an hour if not two. She is going to certainly be missed but no questions she is with Jesus right now, and she has helped me with my faith in Jesus. I pray for comfort for the family and my heart hurts for you all.
