“ Grandma Vern, I didn't know you too well but the times we shared were memorable & sentimental. My greatest memory will always be peddling you around on the surrey for your birthday. I think on that day, you were truly happy. I'm glad you were able to meet and spend time with my greatest miracle, Julia. You will be missed!

“ Tina and family...
It's not the birth on April, 7, 1933 or the death on October 28, 2012 that you should remember, but the time in between the 2 that counts! It's that time that makes a person who they are and why they were loved. Sorry for your loss, Al & Mary Jo
