“ I am so sorry to hear of the passing of my friend. We thru the years, had a great love for motorcycles. He loved to tell me of his rides and the horses. The Love for the Lord was our conversation. His faith to him that gave him strength to continue his battle. Although not close friends we would check on each other once or twice a year. I was calling him to wish him and his family a Merry Christmas, and got a know longer in service message, my heart fell. I will be praying for the family.

“ Always felt like Christmas whenever I spoke to Vernon. His compassion was always guided by encouragement and understanding. He is by far, one of the most charismatic and multi-talented individuals that I know. God-Bless, Elijah A. Woodson. (Inglewood, Ca.)

“ *Norma and Family:*

*Life, like a mist, appears for just a day,
Then disappears tomorrow.
All that we are can quickly fade away,
Replaced with tears and sorrow.
If a man should die, can he live again?*

Hear the promise God has made:

*He will call; The dead will answer.
They shall live at his command.
So have faith, and do not wonder,
For our God can make us stand.
And we shall live forever,
As the work of his own hand.*
